### **Congratulations to ET's own Don Tosh!**

It was a very happy new year for Don as he celebrated his 61st birthday by climbing Mount Kilimanjaro. On Dec. 29, Don — along with four other climbers, two guides and 15 porters — embarked upon the 60-mile journey. Don was the oldest of the group by more than 20 years. "I don't like doing things the easy way," he said. The trip took about 28 hours of climbing to ascend the mountain and nine hours to descend. Don is one of ET's faithful sound/media engineers and sits high up in the balcony!
