2010 Giving

Thank you for your faithfulness in tithes and offerings. Your generosity to the Lord is greatly appreciated as we attempt to meet our budget. At present we are at 91.65% of our 2010 budget and 7.22% below this time last year.

Building Fund—At the end of October "ET" is required to make a yearly principal payment of \$65,000.00 against our building improvement loan. We are now preparing to give toward the principal in October. Please be faithful in giving special offerings over the next weeks to the building fund.

First Responders

We are looking for volunteers to add to our first responders list. We are looking for people who are willing to be on call once a month to respond to emergencies by providing basic medical help and communicating with 911, etc. Although many any of our ET first responders have CPR and First Aid training through Red Cross and or medical professionals, this is not a requirement. If you would like more information, please sign up at the Welcome Center.
